## Quantum Capital Advisors, LLC Privacy Policy

Effective Date: January 1, 2019

Quantum Capital Advisors, LLC respects and protects the privacy of its users. This Privacy Policy is designed to explain how we collect, use, and share information gathered through our websites ([www.qcafund.com](http://www.qcafund.com) and any other site that links to this Privacy Policy) (collectively, the "Services"). The terms "Quantum Capital Advisors, LLC," "we," and "us" include Quantum Capital Advisors, LLC and its subsidiaries. By using the Services, you agree to the terms and conditions of this Privacy Policy. Beyond the Privacy Policy, your use of the Service is also subject to our [Terms of Service](#).

### Information We Collect

#### Information You Provide Us

**Customer Information:** When you sign up to receive updates about our products and services, you provide us with information about yourself, which may include name and email address.

**Communications:** If you contact us directly, we may receive additional information about you. For example, when you contact us for customer support, we may receive your name, email address, phone number, the contents of a message or attachments that you may send to us, and other information you choose to provide.

## Information We Collect Automatically from Your Use of the Services

When you use our website, we and our third-party service providers may collect information from you through automated means, such as cookies, web beacons, and web server logs. By using the website and communicating with us through email, you consent to the placement of cookies, beacons, and similar technologies in your browser and on emails in accordance with this Privacy Policy. The information collected in this manner may include IP address, browser characteristics, device IDs and characteristics, operating system version, language preferences, referring URLs, and information about the usage of our Services.

We may use this information, for example, to ensure that the Services function properly, to determine how many users have visited certain pages or opened messages or newsletters, or to prevent fraud. We work with advertising and analytics providers which use cookies and similar technologies to collect and analyze information about use of the Services and report on activities and trends. These providers may also collect information regarding your use of other websites, apps, and online services over time.

If you do not want information collected through the use of cookies, you can adjust your web browser's cookie settings, including to reject all cookies or cookies from certain parties or websites. You may also wish to refer to <http://www.allaboutcookies.org/manage-cookies/index.html>. If, however, you do not accept cookies, you may experience some inconvenience in your use of the Services.

Information from Third Party Services. We may receive information about you, such as name and email address, from third party partners such as investment platforms that you use to invest in our services.

## How We Use Your Information

We may use the information we collect:

To operate, maintain, enhance, and provide features of the Services, to provide services and information that you request, to respond to comments and questions, and otherwise to provide support to users.

To understand and analyze the usage trends and preferences of our users, to improve the Services, and to develop new products, services, features, and functionality.

To contact you for administrative and informational purposes, and to contact individuals whom you invite to join the service. This may include providing customer service or sending communications, including changes to our terms, conditions, and policies, or invitations to join the Services.

For marketing purposes, such as developing and providing promotional and advertising materials that may be useful, relevant, valuable, or otherwise of interest.

For our business purposes, such as audits, security, compliance with applicable laws and regulations, or fraud monitoring and prevention.

To enforce our Terms of Service or other legal rights.

## How We Share Your Information

We disclose information that we collect through the Services to third parties in the following circumstances:

To our third-party service providers who provide services such as website hosting data analysis, information technology and related infrastructure provision, customer service, email delivery, auditing, and other services.

To third party advertising partners to show you ads that we think may interest you. These advertising partners may set and access their own cookies, pixel tags and similar technologies on the Service and they may otherwise collect or have access to information about you which they may collect over time and across different online services. Some of our advertising partners are members of the [Network Advertising Initiative](#) or the [Digital Advertising Alliance](#). If you do not wish to receive personalized ads, please visit their opt-out pages to learn about how you may opt out of receiving web-based personalized ads from member companies. You can access any settings offered by your mobile operating system to limit ad tracking, or you can install the AppChoices mobile app to learn more about how you may opt out of personalized ads in mobile apps.

To a potential or actual acquirer, successor, or assignee as part of any reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of our business, assets or stock (including in bankruptcy or similar proceedings).

If required to do so by law or in the good faith belief that such action is appropriate: (a) under applicable law, including laws outside your country of residence; (b) to comply with legal process; (c) to respond to requests from public and government authorities,

including public and government authorities outside your country of residence; (d) to enforce our terms and conditions; (e) to protect our operations or those of any of our affiliates; (f) to protect our rights, privacy, safety or property, and/or that of our affiliates, you or others; and (g) to allow us to pursue available remedies or limit the damages that we may sustain.

We may use and disclose aggregate information that does not identify or otherwise relate to an individual for any purpose, unless we are prohibited from doing so under applicable law.

## Third Party Services

This Privacy Policy does not address, and we are not responsible for, the privacy, information or other practices of any third parties, or any third-party operating any site or service to which the Services link. The inclusion of a link on the Services does not imply endorsement of the linked site or service by us or by our affiliates.

## Security

We use certain physical, organizational, and technical safeguards that are designed to maintain the integrity and security of information that we collect. Please be aware that no security measures are perfect or impenetrable and thus we cannot and do not guarantee the security of your data. It is important that you maintain the security and control of your credentials and not share your passwords or private keys with anyone.

## Your Choices

From time to time, we send marketing e-mail messages to our users. If you no longer want to receive such emails from us on a going forward basis, you may opt-out via the "unsubscribe" link provided in each such email.

Do Not Track. There is no accepted standard on how to respond to Do Not Track signals, and we do not respond to such signals.

## Use of Services by Minors

The Services are not directed to individuals under the age of eighteen (18), and we request that they not provide personal information through the Services.

## International Cross-Border Data Transfer

Quantum Capital Advisors, LLC uses servers hosted in the United States and is intended for users in the United States. Please note that we may be transferring your information outside of your region for storage and processing in the United States and around the globe. By using the Services you consent to the transfer of information to countries outside of your country of residence, including the United States, which may have data protection rules that are different from those of your country.

## Updates to This Privacy Policy

We may make changes to this Privacy Policy. The "Effective Date" at the top of this page indicates when this Privacy Policy became effective. If we make material changes, we may notify you through the Services or by sending you an email or other communication. We encourage you to read this Privacy Policy periodically to stay up-to-date about our privacy practices. Your use of the Services following these changes means that you accept the revised Privacy Policy.

## Contact Us

If you have any questions about this Privacy Policy, please contact us [support@qcafund.com](mailto:support@qcafund.com).

# Quantum Privacy Policy

LAST UPDATED: May 21, 2019

Quantum Capital Advisors, LLC, together with its affiliates ("Quantum", "we", "us") values the privacy of individuals who visit our investment platform, available at <https://www.qcafund.com> and any of our other websites, applications, or services that link to this Privacy Policy (collectively, the "Service"). The Service allows accredited and other investors ("Investors") to make investments in token sales by blockchain companies ("Token Developers"). This Privacy Policy ("Policy") is designed to explain how we collect, use, and share information from users of the Service, including Investors

and Token Developers. This Policy is incorporated by reference into our [Terms of Service](#). By agreeing to this Policy in your account setup or by using the Service, you agree to the terms and conditions of this Policy.

## Information We Collect

### Information You Provide to Us

We collect any information you provide to us when you use the Service. You may provide us with information in various ways on the Service.

Registration: If you register with us or one of our customers as an Investor, you are required to provide us with your name and email address and to designate a password. In order to participate in certain token sales as an Investor, we also require certain information to confirm your status as an accredited investor. For example, Investors hoping to participate in a token sale in an individual capacity, and not on behalf of a corporation or trust, must provide their full name, social security number, phone number, address, date of birth, and proof of required assets (such as an asset appraisal) or income (such as tax filings or pay stubs). More information regarding investor accreditation is available [here](#). We may also require Investors to complete a short questionnaire regarding their interest in specific types of token sales.

Token Developers will provide us with information about their project and token offering, certain of which will be provided to potential Investors to assist in making an investment decision.

Financial Information: Investors may invest in token sales using traditional currency and/or cryptocurrency. To facilitate these transactions we will collect necessary financial information, such as your bank's routing number and your account number.

Communications: If you contact us directly, we may receive additional information about you. For example, when you email our Customer Support Team, we will receive your email address, the contents of a message or attachments that you may send to us, and other information you choose to provide.

### Information We Collect Automatically From Your Use of the Service

When you use our Service, we may collect information from you through automated means, such as cookies, web beacons, and web server logs. By using the Service, you consent to the placement of cookies, beacons, and similar technologies in your browser

and on emails in accordance with this Policy. The information collected in this manner includes IP address, browser characteristics, device IDs and characteristics, operating system version, language preferences, referring URLs, and information about the usage of our Service.

We may use this information, for example, to ensure that the Service functions properly, to determine how many users have visited certain pages or opened messages, or to prevent fraud. We also work with analytics providers which use cookies and similar technologies to collect and analyze information about use of the Service and report on activities and trends. If you do not want information collected through the use of cookies, there is a procedure in most browsers that allows you to automatically decline cookies or be given the choice of declining or accepting the transfer to your computer of a particular cookie (or cookies) from a particular site. You may also wish to refer to <http://www.allaboutcookies.org/manage-cookies/index.html>. If, however, you do not accept cookies, you may experience some inconvenience in your use of the Service.

## How We Use Your Information

We may use the information we collect:

- To verify the identity and accreditation status of investors, which may include conducting a soft pull on your credit history, and to facilitate investments in listed tokens.
- To operate, maintain, enhance and provide features of the Service, to provide services and information that you request, to respond to comments and questions, and otherwise to provide support to users.
- To understand and analyze the usage trends and preferences of our users, to improve the Service, and to develop new products, services, features, and functionality.
- To contact you for administrative or informational purposes, including by providing customer service or sending communications, including changes to our terms, conditions, and policies.
- For marketing purposes, such as developing and providing promotional and advertising materials that may be useful, relevant, valuable or otherwise of interest.
- To personalize your experience on the Service by presenting tailored content.
- We may aggregate data collected through the Service and may use and disclose it for any purpose.
- For our business purposes, such as audits, security, compliance with applicable laws and regulations, fraud monitoring and prevention.
- To enforce our Terms of Service or other legal rights.

## How We Share Your Information

We may disclose information that we collect through the Service to third parties in the following circumstances:

- To credit bureaus and other third parties who provide Know Your Customer and Anti-Money Laundering services, including verifying users as accredited investors.
- Information collected from and about Investors may be shared with Token Developers to facilitate Investor directed investments.
- To our third party service providers who provide services such as website hosting, data analysis, customer service, email delivery, auditing, and other services.
- To a potential or actual acquirer, successor, or assignee as part of any reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of our business, assets or stock (including in bankruptcy or similar proceedings).
- If required to do so by law or in the good faith belief that such action is appropriate: (a) under applicable law, including laws outside your country of residence; (b) to comply with legal process; (c) to respond to requests from public and government authorities, including public and government authorities outside your country of residence; (d) to enforce our terms and conditions; (e) to protect our operations or those of any of our affiliates; (f) to protect our rights, privacy, safety or property, and/or that of our affiliates, you or others; and (g) to allow us to pursue available remedies or limit the damages that we may sustain.

In addition, we may use third party analytics vendors to evaluate and provide us with information about your use of the Service. We do not share your information with these third parties, but these analytics service providers may set and access their own cookies, pixel tags and similar technologies on the Service and they may otherwise collect or have access to information about you which they may collect over time and across different websites. For example, we use Google Analytics to collect and process certain analytics data. Google provides some additional privacy options described at <https://www.google.com/policies/privacy/partners>.

We may use and disclose aggregate information that does not identify or otherwise relate to an individual for any purpose, unless we are prohibited from doing so under applicable law.

## Third Party Services

We may display third-party content on the Service. Third-party content may use cookies, web beacons, or other mechanisms for obtaining data in connection with your viewing of and/or interacting with the third-party content on the Service. This Policy does not address, and we are not responsible for, the privacy, information or other practices of any third parties, including any third party operating any site or service to which the Service link. The inclusion of a link on the Service does not imply endorsement of the linked site or service by us or by our affiliates.

## Security

We use certain physical, organizational, and technical safeguards that are designed to maintain the integrity and security of information that we collect. Please be aware that no security measures are perfect or impenetrable and thus we cannot and do not guarantee the security of your data. It is important that you maintain the security and control of your account credentials, and not share your password with anyone. In addition, we offer our users two-factor authentication which is designed to protect their account.

## Your Choices

You may, of course, decline to share certain information with us, in which case we may not be able to provide to you some of the features and functionality of the Service. From time to time, we send marketing e-mail messages to our users. If you no longer want to receive such emails from us on a going forward basis, you may opt-out via the "unsubscribe" link provided in each such email.

## Use of Service by Minors

The Service are not directed to individuals under the age of eighteen (18), and we request that they not provide personal information through the Service.

## International Cross-border Data Transfer

Quantum uses servers hosted in the United States. Please note that we may be transferring your information outside of your region for storage and processing in the United States and around the globe. By using the Service you consent to the transfer of information to countries outside of your country of residence, including the United

States, which may have data protection rules that are different from those of your country.

## Updates to this Privacy Policy

We may make changes to this Policy. The "Last Updated" date at the top of this page indicates when this Policy was last revised. If we make material changes, we may notify you through the Service or by sending you an email or other communication. We encourage you to read this Policy periodically to stay up-to-date about our privacy practices. Your use of the Service following these changes means that you accept the revised Policy.

## U.S. Consumer Privacy Notice

Companies choose how they share your personal information. Under federal law, that means personally identifiable information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read the U.S. Consumer Privacy Notice, available [here](#), carefully to understand what we do.
